LARGE CROWD WENT ON DURANT SPECIAL

The special train to the Durant foot ball game carried over 150 from Ada and about 20 more were picked up along the way. The normal band was in fine trim and the train pulled out to its accompaniment. Along the road and at Durant it did its part splendidly.

When the train arrived at its destination it was met by a large crowd of Durant people and a band. Headed by the Ada band the visitors marched in double column up the main street and were the objects of attention from a large number of spectators along the streets. The train left for Ada at 6 p. m. and arrived at 9:40.

ADA LOSES TO DURANT

Fifty-three to thirteen in favor of Durant. That does not look well in print, but as those who witnessed the game will testify, it is not a true index of the game. It was not nearly so one sided as that, for Ada made a good showing throughout. The Ada boys could hold their opponents to a standstill and could tear through and around their line for good gains but the Durant bunch were experts with the forward pass and with two of the swiftest men in the state in the back field, when Durant came in possession of the ball generally something was doing at once. Ada played straight football most of the time while Durant usually depended on the forward pass for gains. However, during the last quarter the McMillans and McCain used the forward pass with phenomenal success for gains that had them in striking distance of Durant's goal when the game closed.

The scoring on Ada's part was from two field goals kicked by Roddie and a touchdown and goal also by him. The place kicks for the two goals from field were as pretty as could have been made.

Several times Ada had the ball almost on the goal line only to lose and see the ball kicked out of danger by Durant. Then would come the slow hammering process over again as Ada came back towards the white line that meant so much to them.

The game opened with a kickoff by Durant. McCain returned the ball 10 yards, and good gains were made by Stegall, Roddie, Claud McMillan and a forward pass from Ralph McMillan to Stegall netted 20 yards. When Durant essayed one of its first forward passes Robinson made a beautiful tackle, downing the receiver of the ball with a loss of 6 yards. However, on another pass Durant went over the line for the first touchdown.

McCain was knocked out at this juncture, but in a few minutes was able to take his place again.

Durant made the second touch down in a few minutes on another lucky forward pass.

In the next lineup McDaniel was substituted for Robinson. Messenger made a run of 20 yards on returning the ball, Wallace went through the line for 10, but when Durant got hold of the ball another forward pass put Durant across the line for the third touchdown.

Durant kicked to Ada's 10-yard line C. McMillan returned 20 yards. Wallace went through the line for 10, C. McMillan to Roddie made 30 on a forward pass Roddie went through the line for 10, and the quarter finally closed with the ball on Durant's 25-yard line.

When play was resumed Matthews made 10 yards, but Ada was penalized 15 yards and shortly afterwards another 10 Ada was held and finally kicked a safety. Then came a sensational run of 60 yards by Dickerson of Durant for another touchdown, and some few minutes later he made another of at least 80.

During the next period gains were made by Wallace, Matthews, Roddie, C. McMillan and others until finally when the ball had been worked to Durant's 15-yard line, Roddie made a place kick, sending the ball square

ly between the goal posts.

The next period was to Ada's advantage and the half closed with the ball in Durant's 20-yard line. Score 33 to 3.

When the second half opened the Ada team started down the field with a grim determination that took them to Durant's 4-yard line when the ball was lost on a fumble and kicked out of danger. In this period Roddie, McCain, Messenger and Matthews made some heavy gains for Ada. As Ada worked back to goal Stegall made a run around the end for a 20-yard gain. The ball was again carried within striking distance and Roddie kicked another field goal.

In the next period Chitwood of Durant made a sensational run from within a few yards of the Durant line to a touchdown.

The quarter closed with the ball on Durant's 12-yard line. Score 46 to 6. In the next period Ada carried the ball down the field and Roddie went over for a touch down and then kicked goal. Score 46 to 13.

During the next few minutes Ada held Durant for downs, and once got the fall on a fumble, the McMillans made a 20-yard pass, but again Durant came through with a forward pass bringing the score up to 53 to 13.

During the last few minutes of the quarter the McMillans and McCain gave beautiful exhibition of the successful working of the forward pass and only missed a touchdown on account of being penalized for some cause. The game closed with the ball on the Durant 5-yard line.

The weather was very favorable and the field moderately dry.

LATE NEWS FROM ALLEN

MORE WELLS CONTRACTED FOR. LEASES COMMAND FANCY FIGURES.

The News is informed that the oil excitement at Allen is not falling off any. Tanks are being put in place at the well and every one is waiting eagerly for the result that will follow the resumption of drilling.

From reliable sources the News learns that the following transactions have taken place during the past few days.

Dr. C. M. Means has let a contract for a well to the Bartlett Oil Co., drilling to begin within 60 days. Location: Sec. 18 and 24, 5-8.

Kurtz & Cranz will begin drilling within 90 days on the Edgar Crabtree place, Sec. 27-5-8.

A lease has been sold on 40 acres of the J. D. Daugherty place, N. W. of N. W. Sec. 26-5-8 for \$4,000. This lease is half a mile from the well.

Lease on lots 6 and 7 of the J. B. Gray place, Sec. 27, about 46 acres, sold for \$20 per acre.

Contract let for well on John H. Gray place, Clarence Lee allotment, Sec. 23 and 24-4-8, south of Allen. Drilling to begin in 90 days.

Timbers being put on ground for rig to drill on Seward farm Sec. A-4-8. Drilling within 30 days.

Contracts also being let for drilling on Bell farm 5 miles east of Allen.

Kurtz & Cranz, 3 wells within 30 days.

J. T. Reed leased 60 acres Sec. 25-6, \$25 per acre.

Also negotiations are under way for drilling in vicinity of Steedman, W. A. Barrett, W. M. Elliott et al., being the land owners interested.

ALDERSON--SLEDGE

The marriage of Mr. Paul Alderson and Miss Alpha Sledge was solemnized at the First Baptist church Wednesday evening in the presence of an audience which filled the house to overflowing.

The News had hoped to give full account of this crowning social event in today's issue, but the reporter being out of town Thursday and being deluged with work, found it impossible to secure sufficient data to give this affair the attention it really deserved, but it will appear in tomorrow's paper.

VILLA PLANNING NEW CAMPAIGN

Juarez, Mexico, Nov. 27.—Gen. Villa announced tonight that he is preparing to move his victorious Constitutionalists army on to Chihuahua and that he fully expects to move his troops south this week unless the federalists assume the aggressive and return to the assault of Juarez. Tonight they are reported near Chihuahua, retreating in the same disorder that characterized their movement from Tierra Blanca after Villa defeated them. Trains are now being loaded with supplies, provisions and ammunition. Practically all of the artillery used in the defense of the city from the Federal attack has been returned to Juarez and a portion of it is now on the military trains in the National Railway yards.

"You can bet your life we will take Chihuahua," said Gen. Villa tonight. "Just as soon as we can reorganize our forces and march on the state capital. We tried once before but with drew when our ammunition supply was running low, but now I have

Headache relieved almost instantly by Properly Fitted Glasses.

enough to capture two cities even larger than Chihuahua City and that is our destination now."

Federal scouts have been sighted at Villa Ahumada during the day, but it is thought they are only stragglers from the defeated column of Gen. Huerta.

When Gen. Villa attacks Chihuahua he will join his forces with those of Gen. Chao, who are now operating near Chihuahua. Chao is reported to have 5,000 men in his command.

The exodus of troops from Juarez will begin Friday, Gen. Villa has just announced.

Gen. Villa has posted orders in Juarez demanding that merchants accept in payment for merchandise the fiat money issued by the state governments of the States of Coahuila, Sonora and Monclova. Merchants at first refused to take the bank notes, but when threatened with prosecution of their stores many readily agreed to take the money.

Spanish residents of Juarez today applied to United States Consul Thomas D. Edwards for protection from Gen. Villa, who, it is alleged, threatened to confiscate all possessions of all Spaniards in Juarez. Gen. Villa is displeased with the action of Spanish merchants who closed their places of business rather than accept the Constitutional fiat money. Consul Edwards has taken possession of Spanish properties and will lend every assistance to the foreign residents and merchants.

J. J. Copeland and J. E. Sloan were in from Center this morning. They reported that no bridge between Center and Ada had been washed out by the heavy rain of Thursday afternoon.

OKLAHOMA OUTFIGHTS COLORADO, SCORE 14-3

Oklahoma City, Nov. 27.—Out weighed twelve pounds to the man, and placed at a decided disadvantage on account of a muddy field, the University of Oklahoma in a brilliant game of football today defeated the University of Colorado by the score of 14 to 3. A crowd of 5,000 people witnessed the victory.

In the first few minutes of play Colorado made its lone 3 points on a place kick. In the second quarter Claude Reeds and Raymond Court-right each secured a touchdown for Oklahoma and both goals were kicked.

Rains of the last few days made the field inches deep in mud in places. Players frequently were blinded by the mud. Oklahoma used open football and was very successful with the forward pass, often garnering two or three in succession. Colorado banked on old style football, using line plunges for short but ineffectual gains.

A FINE THANKSGIVING DINNER

The editor and manager of the News were the recipients of an invitation to eat Thanksgiving dinner at the West End hotel. The editor was out of town, but the manager was on hand and did ample justice to as fine a Thanksgiving dinner as could have been found in Ada. Mrs. J. R. McCullough, the proprietress of this popular hotel, knows how to get up a real dinner, and on this occasion she even surpassed herself.

ADA A GOOD LOSER.

Ofcourse Ada was disappointed over the defeat of the football team in the Thanksgiving game at Durant, but we can say that a better bunch of losers was never seen. Everybody accepted the result very gracefully and swallowed his disappointment with a hope that in the next game things may turn out differently. Ada people proved themselves good sports and the spirit seemed to be appreciated by Durant.

CAPTURING DURANT'S GOAT

RAY PALMER AND ARTHUR SCOB-
EY MADE RAID THAT CAUSES
SCRAMBLE.

A lively scrimmage was precipitated on the football grounds at Durant Thursday afternoon by the kidnapping of a goat by Prof. Ray Palmer and Arthur Scobey.

At the close of the first half a large bunch of the Durant rooters paraded around the field, leading a goat on which was a blanket made of Ada colors and the word "Ada" inscribed on it. As the parade was winding about with the goat bringing up the rear the two Ada men stepped quietly out and just as the goat was coming along a Durant girl grabbed Scobey's hat. While the crowd paused to watch his efforts to recover his headgear, Palmer grabbed the goat and before the astonished Durant crowd could realize what was happening he had dragged both the goat and the boy leading it across the sideline where the Ada crowd was stationed. It was done so unexpectedly that they had time to rally for the defense of the animal, the Durant bunch made a grand charge and swept him back across the field. Everybody seemed to enjoy the fun except the goat. He seemed to object to the part he was called on to play.

Can't Help But Admire Babies

Every Woman Casts Loving Glance at the Nestling Cuddled in its Bonnet.

A woman's heart naturally responds to the charm and sweetness of a pretty child, and more so to-day than ever before since the advent of Mother's Friend.

This is a most wonderful external help to the muscles and tendons. It penetrates the tissues, makes them pliant to readily yield to nature's demand for expansion, so there is no longer a period of pain, discomfort, straining, nausea or other symptoms so often distressing during the anxious weeks of expectancy. Mother's Friend prepares the system for the coming event, and its use brings comfort, rest and repose during the term. This has a most marked influence upon the baby, since it thus inherits a splendid growing system of nerves and digestive function. And particularly to young mothers is this famous remedy of inestimable value. It enables her to preserve her health and strength, and she remains a pretty mother by having avoided all the suffering and danger that would otherwise accompany such an occasion. Mother's Friend thoroughly lubricates every nerve, tendon and muscle involved and is a sure preventive for caking of the breasts. You will find this splendid remedy on sale at all drug stores at \$1.00 a bottle, and is highly recommended for the purpose. Write Bradford's Regulator Co., 134 Lamar Bldg., Atlanta, Ga., and they will mail you sealed, a very instructive book for expectant mothers.

COTTON GINNED IN PONTOTOC COUNTY

The government report of cotton ginned to November 14 gives Pontotoc county 19,760 bales as against 17,306 at the same date of 1912. The total for the season of 1912 was a trifle over 25,000, and indications are now that the figures for 1913 will vary

REV. B. F. PECK DROWNED

About dark Thursday afternoon Rev. B. F. Peck, was drowned at the crossing of the small branch near the first oil well, two miles west of Ada.

He and his son were coming from Center and when they reached the crossing they found that the heavy downpour of rain ad converted the brook into a raging torrent, but evidently not realizing its depth nor swiftness of the current, Mr. Peck drove in, telling his son, who was also driving a single buggy, to wait until he tried it. The rushing water at once caught him and both he and his horse were drowned. The flood soon subsided and the body was found entangled in the wreckage of the buggy against a tree some distance below the crossing. The body was brought to Ada and will be held until Saturday until the brothers of the deceased can arrive. The interment will take place at Center.

Mr. Peck was a man of strong personality and one whose high character had made many friends. He was a useful citizen to any community and during his residence of many years at Center he had become widely known in this section. Only about ten days ago he had purchased property in Ada and had moved there for the benefit of the schools. He was a minister of the Cumberland Presbyterian church and a member of the M. W. A. The News extends its deepest sympathy to the widow and children of this estimable man, who have left with them the memory of a good name left by the husband and father, and also the comforting assurance that although his call came suddenly he was prepared to go.

IF BACKACHY OR KIDNEYS BOTHER

Eat Less meat if you feel Backachy or have Bladder trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acids of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

DOES YOUR HAIR SPOIL YOUR FACE?

If your glass reflects good looks—nice features that would make you considered pretty if only your hair were more becoming—don't you mourn about it. Instead of mourning or envying others, whose hair is prettily a few moments. Contains noth-Beautifier, and let others envy you. It is a delightful liquid hair dressing to beautify the hair—make it glossy, softer, easier to put up in graceful, wavy folds that will "stay put." It polishes the hair until it shines, and overcomes the unpleasant oily odor, with a delightful fresh rose fragrance. Harmony Hair Beautifier is very easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change the color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the read-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of mess.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

WILL TAX PAYERS CUT

OFF NOSE TO SPITE FACE!

Will a man cut off his nose to spite his face? Such will indeed be the case if the voters of Oklahoma turn down the amendment to Art. IX, Sec. 3, of the state constitution on which will be voted on at the special election August 5. The legislature has thrown ample protection around the rights of the people in the terms of the amendment and with the safeguard of the initiative and referendum there is little or no chance for monkey business. In this county the burden of taxation will be materially lightened when the O. C. is absorbed by a larger system, like the Santa Fe, and placed on a better basis, and the passenger rate will be reduced from 2c to 2c as on the main line of the Santa Fe and other big systems. The big roads don't care a whoop whether the amendment is passed or not; in fact, their influence seems to be largely against it. They have the business of the state fairly well monopolized as it is and are not worrying about an opportunity to build new mileage.

However, there is a notable exception to this rule. The Rock Island long ago surveyed out a route from Asher to Wapanucka and as the Asher branch is a losing proposition under present conditions it will undoubtedly be extended through the county if the opportunity is given. The tonnage from the OK cement plant is a drawing card and the new territory that will be opened will mean a large increase in traffic for the road. It will pay thousands of dollars in taxes into the treasury of Pontotoc county, thereby helping the taxpayers. Vote for the amendment and pay no heed to the vapors of peanut politicians who use the argument against the amendment as a means of advancing their own interests in the political field.

STORE TO THE FRONT

S. M. Shaw devotes a page of this issue of the News to telling his customers of a few of the many bargains he is offering at his sale which he has put on to commemorate his eleventh anniversary in Ada. From a small beginning he now has a large and varied stock of goods from which to select and at the prices named they will not stay in the house very long.

INTERESTING LETTER

FROM MRS. KRIEGER

Deming, New Mexico.
Evening News, Ada, Okla.

We left Ada June 30th, went to Ft. Worth, Tex., and visited our esteemed friend at the Meadow's home, were royally entertained and taken all over the city. On July 2nd started for El Paso, Tex., arrived there Thursday, July 3rd. Great preparations were being made for a battle at Juarez, Mex. Street cars were stopped at the bridge by American consul and mayor and sent back into El Paso and all American citizens warned to leave the town. Sunday was moving day. The battle was expected today at day break but up to 6:30 when we left El Paso not a gun was fired. We stood on a ten story building and watched with interest the federal dig trenches. The distance was only one and a half miles. The Rio Grande is about as large as Sandy, but it is the line between the two cities. I never saw more interest manifested over anything like that battle-to-be has caused. We saw companies of U. S. soldiers patrolling the river and guarding the light plant, as Juarez is lighted by El Paso. We saw the blue coated federals patrolling the town; it was a solemn sight to see.

On to Deming, N. M., July 7th; got dinner and took a ten mile trip around Deming. The Chamber of Commerce sent the automobile to show us what they had. It is a wild desert country all around, but where they have those flowing wells, garden truck is fine. First place we visited was the Chinese garden where every thing was growing by irrigation, beans, beats, onions, peas, cabbage, apples, plums, in fact every thing Oklahoma raises. This makes his second crop. Alfalfa does fine here.

In fact I couldn't begin to tell all I have seen since leaving Ada. We start 9:30 July 8th for Phoenix, Ariz., F. C. is getting fat. Both have stood the trip fine. KITTIE KRIEGER.

A CORRECTION.

The News Has a Visitor.

This morning the editor and manager of the News were delighted beyond measure when their old time partner and friend, Tom B. Lusk of Italy, Tex., dropped in for a few days visit. It was under Mr. Lusk in the office of the Italy News-Herald that both received what knowledge of the business they had before coming to Ada, the manager having set his first stick of type in that shop and working there for some twelve years all told. The editor also learned a few things in the office during his residence at Italy and for the last six or eight months before coming to Ada, the three were partners.

Mr. Lusk is one of the best known editors in Texas, and served four years as secretary of the state press association. Two years ago he moved to Lindsay, California, but Texas had such a strong hold on him that he recently returned to his old stomping ground. After seven years of urging he finally managed to get off to Ada and see what a good town really looks like, and from what he has seen of the place he thinks he found the trip worth making.

Attention Boys and Girls.

The Civic and Cemetery association will give 10 cents a pint for dead flies delivered to Mesdames Ed Gwin or Dr. Ross from now until August 1st. A prize will also be given to any one person bringing the greatest quantity during this time. 86-3t

The ladies of the North Ada Methodist church will serve home-made cake and ice cream on the church lawn Friday night. Everybody come. 87-2td

Penalty Valid, Says Court.

Oklahoma City, OK, July 16.—The 18 per cent penalty for nonpayment of taxes, not being interest, is not in conflict with Art. IV, Secs. 2 and 3, of the Constitution fixing rates of interest. The penalty is valid and enforceable. This was held by the supreme court in an opinion delivered by Justice Turner in the case of J. F. Shultz against Fred Ritterbusch, appealed from Logan county, and on rehearing.

Other opinions by Justice Turner were: G. N. Kneeland et al vs. Wayne County National Bank, from Alfalfa county, reversed, Justice Kane dissenting; J. W. Johnson vs. A. L. Carrico, from Oklahoma, affirmed.

Pershing's Distinguished Services.

Washington, D. C., July 17.—Major General Bell, commanding the Philippine department, warmly praises Brigadier General John J. Pershing for the manner in which he conducted his campaign to disarm the Moros. It is not the first time that Gen. Pershing has been "mentioned in dispatches," and when the history of the Philippines comes to be written it is probable that to the fighter from Missouri will be given the credit for doing the biggest share of the "rough work" incident to the pacification of the islands.

General Pershing has been fighting in the Philippines the greater part of the past ten years. In 1906 he was singled out by President Roosevelt in one of his messages to Congress for his distinguished services in his fights against the Moros in the Lake Llanos country. There, his senior officer being incapacitated, the command of a battalion devolved upon him. Captain Pershing was away from civilization and almost cut off from communication with the outside world. For seven months he kept open his base of operations, supplied his own subsistence, and, with his men, fought every day and part of the night. He started at the lower end of the lake and fought clear around Gen. MacArthur, then in command in the Philippines, recommended him for promotion to brigadier general as the only recognition commensurate with his actual services. Thereupon the president jumped Captain Pershing over the heads of 862 officers of higher rank and made him a brigadier general in the regular army. Except in the case of General Funston, who was made a brigadier from the volunteers after his capture of Aguinaldo, there is no other instance upon record where bravery and efficient service have been so promptly and so extensively rewarded.

The latest dispatches from the Philippines indicate that the recent fighting has been as severe as any that marked the early career of General Pershing in the islands. For days the American troops have been fighting in the mountain fastness with savages sometimes numbering between 5,000 and 10,000. Hand to hand combats have been frequent, in which not a savage surrendered, and the encounters were ended only by escape or death.

Denver Prepares for Knight's Templar Denver, Colo., July 17.—Three weeks hence Denver will be the Mecca of tens of thousands of the most prominent and representative citizens of the United States. From every part of the continent, from far-away Maine and Florida, from California and Oregon and from all the commonwealths between, the representatives of the Knights Templar will gather for their thirty-second triennial convocation.

For more than a year the local committee of reception and entertainment, composed of the most prominent and active templars in this jurisdiction, has been preparing for the advent of the mighty hosts that will sojourn in this city during the second week of August. Today announcement was made of the practical completion of every detail of the convocation program. As in the past, the big features of the week will be the great street parade and the competitive drills. Dinners, receptions and balls will figure in the entertainment program, along with numerous sightseeing trips to the many points of scenic interest in the vicinity of Denver.

Jealous Man's Queer Freak.

A man named Bours has been arrested at Venice, Cal., charged with shaving the head of his bride in a fit of jealous rage to make her look unattractive in the eyes of other men. The bride, who is only seventeen, and much younger than her husband, complained that he overpowered her, clipped her tresses close, and then applied lather and razor until her head "looked like a billiard ball."

Good Description.

Little Emily's mother had gone shopping. Upon returning she brought home to Emily a pair of pink socks fashionable for smart children in summer. That evening some ladies called upon her mother. Emily left the room, and a short while after the three-year-old returned with her socks on. "Look!" she exclaimed to the visitors, "mother brought me a pair of log-neck stockings."

May Be Something in Dreams.

Belief in the prophetic power of dreams has run round a rosy. Men formerly thought dreams foretold future events, dreams gave good advice for the regulation of one's future conduct, dreams told where to find lost articles. Then as we grew more sophisticated we regarded dream omens as mere superstition. Lately some of the closest investigators of dreams have begun to switch to the former opinion.

DURANT ACCOUNT OF THE GAME

Following is the account of the Ada-Durant football game sent to the Dallas News by its Durant correspondent:

Durant, Ok., Nov. 27.—The Southeastern Normal football squad defeated the East Central Normal eleven of Ada here today by a score of 53 to 13, thereby winning the championship of the state. Ada was well represented, there being 175 students and citizens present, arriving this morning by a special train. The largest crowd ever present at a football game here was present, there being 1,500 admissions.

It was a case of the old style football against the new, the new winning, Ada making most of her gains by the tackle smash. The forward pass work of the Southeastern team was spectacular as well as the end runs. Ada made some good gains on the forward pass, but were never successful in making long gains at the right time.

Dickerson, at quarter for the Southeastern, ran from Durant's seven-yard line and eluded all tacklers for a touch down. Chitwood made good gains on end runs and Bateman's passing was perfect. Palmer, at end for Southeastern, played a fast game. Wann and Helbach, at tackles, played a great game, both offensive and defensive. Johnson played well at center, having only three days of practice at passing the ball. Early, at half and Brown and C. Helbach, at guard, played strong. Durant, at right end, was perhaps the star of the team.

Roddie at half for Ada, was by all means the star for their team, he making all goals made by Ada. Matthews, at full for Ada, was also strong. Ada ran the best interference that was ever seen on the Durant gridiron. The Southeastern team was weakened at the beginning of the second half by Bateman's having to leave the game to attend the bedside of his mother, who is very low. The line-up:

Southeastern—Palmer, left end; Wann, left tackle; C. Helbach, left guard; W. Johnson, center; Brown, right guard; R. Helbach, right tackle; Durant, right end; Dickerson, quarter; Early, left half; Chitwood (captain), right half; Bateman, full back. East Central—Robinson, left end; Messenger, left tackle; Rollow, left guard; V. Rollow, center; Blanford, right guard; Stegal, right tackle; R. C. McMillan, right end; C. McMillan, quarter; Roddy (captain), left half; McCain, right half; Matthews, full back.

Substitutions: Maxey for Bateman, G. Johnson.

Officials—Barrett (Missouri), referee; Kelly (Carlisle), umpire; Neely (Texas), head linesman. Time of quarters—15 minutes.

How's the Little Tot?

He may be in best of health today and seriously, very seriously ill tomorrow. Why not get a photograph of him NOW while he is the picture of health? Grandma would be just tickled to death to get one for Xmas, and too, a large one (such as we can produce from the small one) would just be the thing for daddy's office.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat also take glass of Salts before eating breakfast

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. (Adv.)

HOW TO AVOID COLD WEATHER DISEASES

To prevent cold weather diseases, put your body into a proper healthy condition to successfully resist them. Colds, grippe, bronchitis, pneumonia, Catarrh, typhoid fever, rheumatism and other ailments may be escaped in most cases, if this is done. Build up your health and strength—your nerves and blood and entire body—into such shape that you can count on good health all during the winter months—by taking Rexall Olive Oil Emulsion, the ideal blood, nerve and body builder.

This is a remarkable medicine, but a common-sense one. It doesn't stimulate. So-called "tonics" that stimulate give you no permanent relief; but leave you worse off than before. Rexall Olive Oil Emulsion contains none of these harmful, stimulating ingredients, such as alcohol and dangerous and habit-forming drugs. Its great benefit to you is through its real nerve and blood and body-building effects. It nourishes, builds, strengthens. Its merit does not rest on making you feel better for a few minutes at a time after taking it, but on making you feel better as a result of making you well.

Rexall Olive Oil Emulsion is the ideal blood and nerve-food tonic. You who are weak and run-down, and you who are apparently well now, but are

liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Gwin & Mays Drug Co., Ada, Okla.

RAINFALL MORE THAN 2 INCHES

Between 5 and 6 o'clock Thursday afternoon Ada was visited by one of the hardest rains ever seen in this section. For a full hour it fell in sheets almost reaching the proportions of a waterspout. The storm sewers could not begin to carry off the water and it rose over the sidewalks in several places. Including a drizzle of two or three hours, the total rainfall was 2 1-10 inches.

IRRITATING COUGHS. DISTRESSING, DEPRESSING COLDS.

Surely and quickly yield to Dr. King's New Discovery. It soothes the inflamed and irritated bronchial tubes, stops the cough, in many cases instantly loosens the cold and aids expectoration. Don't be annoyed and suffer from coughs and colds. Take Dr. King's New Discovery and be cured.

"Owing to a severe cough and lung trouble I could not work at all for several months," writes Lewis Chamblin, of Manchester, Ohio. "Two of the best doctors could not help me. My weight ran down to 115 pounds. Dr. King's New Discovery cured me, and I now weigh 160 pounds."

"I am an old lover of your most valuable Godsend to suffering humanity—Dr. King's New Discovery," writes Jennie Fleming, New Dover, Ohio, "for it cured me of a dreadful cough of three years' standing. It was so bad that I would cough until I would be speechless, but, for the quick relief of your wonderful remedy gave me, it's worth more than all the remedies I ever used before."

Thousands have been helped in the same way, by Dr. King's New Discovery. It is not a new medicine, but one that has been used effectively more than forty-three years for the cure of coughs and colds. Your druggist will refund your money if Dr. King's New Discovery does not help you. Start taking right now. Sold by

NO BASKETBALL GAME THIS EVENING

Owing to the fact that the new gymnasium at the normal has not yet been wired, and no suitable place in the business section being available, it has been found necessary to call off the double header basketball games scheduled for this evening.

Mr. and Mrs. Ed Wendel of El Campo, Texas, arrived Thursday evening and will become residents of Ada. Mrs. Wendel is a sister of Mrs. C. T. Angel.

PONTOTOC COUNTY TEACHERS IN SESSION

The Pontotoc County Teachers Association met at the normal at 1:30 this afternoon with some 65 or 70 present. All parts of the county have a fair representation and it is thought others may arrive tomorrow.

The regular program is being carried out this afternoon and Saturday morning it will be resumed and carried through most of the day. A feature of Saturday morning between 10 and 12 will be an address by Supt. C. W. Richards of Ardmore.

ELY'S CREAM BALM OPENS CLOGGED NOSTRILS AND HEAD--CATARRH GOES

Instantly Clears Air Passages; You Breathe Freely, Nasty Discharge Stops. Head Colds and Dull Headache Vanish.

Get a small bottle anyway. Just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. The sweet, frag-

the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharge and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.
